

## THE CHORD™ COMPANY

### AUTHORISED RETAILER PRICE LIST

Chord's entry level cable just got WAY better! The new Crimson Interconnect & Subwoofer cables are the best in class under \$200.

Lusting after Chord Signature? Can't quite make the stretch? The new Anthem 2 Interconnect is definitely what you need.

#### Interconnects

Model	Length	Description			RRP inc
Crimson	1m	Replaces Calypso & Chrysalis and sounds even better, features a twisted pair of OFC conductors, each with an external shield & polyethylene insulation and a floating earth design similar to Cobra 3 & Indigo.			\$130
		Extra cable per metre			\$50
Cobra 3	1m	Chord's Cobra 3 has a great balance of detail and sweet tonality. Features a twisted pair of OFC conductors, each with an external shield & polyethylene insulation.			\$240
		Extra cable per metre			\$85
Chameleon Silver Plus	1m	This great all rounder combines tonal honesty & lack of colouration to provide a neutral, superbly musical cable. Features silver plated copper conductors and screen & Teflon insulation.			\$380
		Extra cable per metre			\$150
Chorus 2	1m	With the Signature's high frequency shielding system & unusually heavy duty conductors, the new Chorus 2 combines brilliantly with Odyssey & Epic loudspeaker cable.			\$850
		Extra cable per metre			\$550
Anthem 2	1m	Multi strand, silver plated OFC core, low density teflon insulation & white braid outer, combination of Anthem 2 and Epic speaker cable forms a real synergy & can bring startling improvements to almost any Hi-Fi system.			\$1,100
		Extra cable per metre			\$600
Signature	1m	Incredibly dynamic & musically coherent cable. With heavy gauge solid core silver plated conductors insulated with Teflon, surrounded by a fully floating silver plated double flat weave braid, terminated with low mass silver plated plugs.			\$1,850
		Extra cable per metre			\$1,650
Indigo	1m	The new standard for interconnects. Will increase your enjoyment of even the most complex musical pieces. Features heavy gauge solid core silver plated conductors insulated with Teflon, tri-layer shielding & a single material signal path. Unique precision machined acrylic plug casing.			\$2,800
		Extra cable per metre			\$1,500

#### Subwoofer Interconnects

Crimson	3m	Crimson 1 RCA TO 1 RCA - specifically designed for use with subwoofers in AV systems			\$130
	5m				\$180
		Extra cable per metre			\$25

Chorus 2 Balanced. Don't try it unless you have the cash. You will not want to give it back!

The new standard in HDMI. The Silver Plus 1.3 can carry 1080P signals up to 40 metres. Gulp. What Hi-Fi? AV Cable of the Year 2007 & AV Review HDMI Cable of the Year 2007

If you want the best of the best this is the Top Gun - Indigo Balanced Interconnect - only \$4,200 pr.

**Balanced Interconnects**

Model	Length	Description			RRP inc

		Extra cable per metre			\$70

**Digital**

Optichord Toslink Optical	1m	Optical digital standard, metal bodied, gold tipped toslink plugs and a wide domed and polished signal core end.			\$165
Codac Coaxial RCA	1m	This digital interconnect produces a level of performance that exceeds its modest price. Features 75 ohm coaxial solid core silver plated conductor, shield & silver plated plugs.			\$185
		Extra cable per metre			\$85
Prodac Coaxial RCA	1m	Offers much improved performance over the original Prodac. Features an ultra cast copper solid core conductor, with a silver plated and conductive screen and silver plated plugs.			\$285
		Extra cable per metre			\$150
Signature Coaxial RCA	1m	Designed to complement the Signature interconnect. Features heavy gauge solid core silver plated conductors insulated with Teflon, surrounded by a fully floating silver plated double flat weave braid, terminated with low mass silver plated RCA plugs.			\$685
		Extra cable per metre			\$260

**HDMI Cables**

HDMI Lo-Pro	1m	Low profile HDMI cable, gold plated connectors, small plug surrounds for fitting into tight places, excellent signal transfer characteristics at a very attractive price.			\$175	
HDMI Lo-Pro	3m				\$250	
HDMI Lo-Pro	5m				\$350	
<b>New Length</b> HDMI Silver Plus 1.3 What Hi-Fi? AV Cable of the Year 2007 AV Review HDMI Cable of the Year 2007	0.5m	HDMI Silver Plus 1.3, can carry 1080p signals up to 40 metres!!! (20, 30 & 40m versions have an in-built amplifier), directional (source end is Red), larger gauge silver plated conductors, improved shielding, plugs can fit side by side on HDMI equiped DVDO products. Vibrant colours, improved contrast, sharper images with greater depth & perspective.			\$250	
	1.5m				\$300	
	3m				\$375	
	5m				\$500	
	10m				\$750	
	15m				\$1,000	
	20m		HDMI Cable with in-built amplifier - to special order			\$1,500
	30m		HDMI Cable with in-built amplifier - to special order			\$2,000
40m	HDMI Cable with in-built amplifier - to special order			\$2,500		
HDMI Adaptor		HDMI to DVI Adaptor Plug			\$180	
HDMI Adaptor		HDMI to M1 Adaptor Plug			\$180	

The definition of Epic - 'very imposing or impressive; surpassing the ordinary' - very like the new Chord Epic Twin Speaker Cable really.

Quality bi-wireable speakers need Signature speaker cable and a set of the new Signature Jumper Links pictured above. Or you could just buy two runs of Signature speaker cable.

**New Carnival Silver Screen Speaker Cable - the first cable at the price to feature a proper shielding system (similar to the Epic & Signature)**

**Speaker Cables**

Model	Reel Length	Description			RRP p/m inc
Leyline 2	100m	Install cable with 2 multi strand OFC conductors, good sound quality & low loss over long runs			\$9
Carnival Classic	100m	The starting point for real hi-fi performance. Twisted pair construction, OFC conductors & polyethylene insulation.			\$11
<b>New in March</b> Carnival Silver Screen	100m	<b>First speaker cable at this price to feature a shielding system (similar to Epic &amp; Signature), brings dramatic improvements by reducing interference &amp; lowering the noise floor</b>			<b>\$20</b>
Rumour 2	50m	Its fast articulate sound makes the opposition sound veiled and congested. Twisted pair, silver plated OFC conductors with Teflon insulation.			\$35
		Rumour 2 per metre			\$50
Rumour 4	50m	As above with 4 conductors enabling bi-wiring.			\$70
		Rumour 4 per metre			\$85
Odyssey 2	50m	Passes music signals with absolutely minimum hindrance. Features twisted pair construction, silver plated OFC conductors with Teflon insulation.			\$55
		Odyssey 2 per metre			\$70
Odyssey 4	50m	As above with 4 conductors			\$110
		Odyssey 4 per metre			\$130
Epic Twin	50m	Chord's best speaker cable available on a roll. Takes Chord's famous clarity & neutrality to new levels. Twisted pair, 12 gauge 19 strand silver plated OFC conductors, teflon insulation, dual shielding similar to Signature			\$120
		Epic Twin per metre			\$150
Epic Super Twin	30m	As above with 4 conductors – may be used as a high end, single wired speaker cable or in bi-wired configuration.			\$240
		Epic Super Twin per metre			\$300

**Signature Speaker Cable - Factory Terminated**

Model	Length	Description			RRP inc
Signature terminated pair	3m	Absolutely illuminating in the way it brings music to life. Features seven copper strands, foamed polyethylene dielectric, spaced, twisted conductors & a triple screen			\$2,800
