

Cute size, *surprising performance*

High fidelity stereo is now available in an integrated compact system with tuner, amplifier and CD player in one compact box. Advanced functionality, such as DAB and MP3 playback, perfectly complements top-quality sound and superb performance. A fabulous audio experience that also saves space.

CR-401

CD-RECEIVER

- High quality CD-Receiver system
- 2 x 30 Watts (6 Ohm RMS) discrete power amplification
- Stereo FM and AM reception
- RDS function with station name and radio text indication
- Solid metal front panel and rigid chassis construction
- Easy to use button layout on front panel operation
- High quality playback of almost any 12 cm disc including CD, CD-R/RW
- MP3 playback including text information
- Clock and Sleep timer function
- Headphone output
- Tone control and source direct function
- 3 line in and 2 line out plus digital optical output
- Subwoofer pre out
- Dedicated remote control and Marantz D-Bus
- Also available with Digital Radio Tuner (DAB) – Model CR601

SR-4320

STEREO RECEIVER

- 2 x 80 Watts (8 Ohm RMS) power amplification
- FM / AM tuner with 30 random presets
- Symmetric circuit architecture
- Separate solid heatsinks
- Tone control and Source Direct function
- Pre-output and main-input for upgrade possibilities
- Four audio inputs including phono (MM)
- Three audio/video combined inputs and monitor output
- Sleep and timer function
- Speaker A/B
- System remote control and Marantz D-Bus
